Part 1

The most difficult part of the game is presented in a clear, easy to learn, hands-on manner. Learn to communicate with your partner with every card you play (well, almost every card). Opening leads, second and third seat play, signaling and making a defensive plan are just a few of the topics to be covered. Class is designed for experienced players, although advanced beginners will also benefit. Partners are encouraged, but not required. **\$20 book fee payable to the instructor the first night of class.** The text is ACBL's *Defense in the 21st Century* by Audrey Grant and revised by Betty Starzec.
