Mary Jane Kinnebrew A/X Pairs

Mary Jane is known for her “all the time” smile and fabulous disposition at the table. She is gracious to her partners as well as to her opponents. When newcomers are beginning duplicate, she is one of the first experienced players who takes them under her wings to play with them. No matter what happens at the table, Mary Jane never criticizes or complains. The Houston Unit is very lucky to have her in our midst.

Helen Pruitt 49'er/299'er Pairs

A Silver life master, mentor, guide, and friend, Helen is the mainstay of the 0-20 supervised game at Bridge Club of Houston. Helen warmly welcomes new players, then encourages, nurtures, and teaches us baby step by baby step. She is also a model for us in treating others with grace and kindness. Thank you Helen for your years of dedication, and for giving us a firm foundation on which we can build our bridge and life skills.

Eleanor Sherwyn Side Game Memorial

Eleanor began her bridge career in Saudi Arabia and played in tournaments all over the world. For the past several years, she and her husband, Don, lived in Corpus Christi and they attended all Houston tournaments. She really enjoyed bridge in Houston and played often here. Eleanor was a steady bridge player and a stellar teammate. All who played with her could always count on positive comments from Eleanor--she was a quality lady! She will be sorely missed!

Pat McMullin Evening Side Game

One of our special players who gives back to the game by imparting her knowledge to players with less experience is Pat McMullin. She has regular games with players who want to learn from Pat because she has such a valuable bank of bridge information to share with others. She offers lots of “Honey, you did just fine” and “Sweetie, you made the right bid.” Thank you, Pat, for sharing your knowledge!
